## REPAIR COUPLING 331B

2D derivation

3D View

To activate the interactive 3D view, you must trust this document (see hint on the top) in Adobe Acrobat and click on the question mark.

### Technical Data

|                              |               |
|------------------------------|---------------|
| CODE                         | 331B000110    |
| Size                         | 110X110       |
| L mm                         | 390           |
| L1 mm                        | 195.0         |
| D1 mm                        | 176.0         |
| D2 mm                        | 111.5         |
| W Weight [g]                 | 2730.0        |
| MAT Material                 | Polypropylene |
| PN Pressure Nominal          | 16            |
| PU Packaging Unit [piece(s)] | 5             |
